

# ClubGRANTS 2024 CONTRIBUTION

ClubGRANTS is one of Australia's largest grant programs, providing more than \$100 million in cash each year by registered Clubs to a variety of worthy causes across NSW.

Charities, sporting organisations and not-for-profit community groups are among tens-of-thousands of worthy causes funded through the program each year.

In 2024, Arncliffe Scots Sports & Social Club proudly contributed over \$116,000 in cash grants through Category 1 and Category 2 funding to local organisations and sporting clubs who in turn execute programs within the community.

Bayside Council are responsible for overseeing the administration of the ClubGRANTS program in which we participate.
