ClubGRANTS 2026 CONTRIBUTION

ClubGRANTS is one of Australia's largest grant programs, providing more than $100 million in cash each year by registered Clubs to a variety of worthy causes across NSW.

Charities, sporting organisations and not-for-profit community groups are among tens-of-thousands of worthy causes funded through the program each year.

In 2026, Arncliffe Scots Sports & Social Club proudly contributed over $170,000 in cash grants through Category 1 and Category 2 funding to local organisations and sporting clubs who in turn execute programs within the community.

Bayside Council are responsible for overseeing the administration of the ClubGRANTS program in which we participate.

CATEGORY 1	PROJECT	AMOUNT
Family of League	The Family of League Foundation is a registered charity providing financial, emotional and social support to individuals and families in need of assistance from within the rugby league community. Financial grants and immediate relief packages are provided to help people through tough times and improve their quality of life when suffering debilitating illness or disability. Social contact and visits are made to those receiving treatment for or recovering from illness or struggling with isolation.	$10,000
Bayside Women's shelter	Bayside Women's Shelter is looking to fit out a new Shelter with beds, kitchen appliances and floor and window covering. With an increasing need to provide safe shelter for women and children escaping domestic and family violence, Bayside Women's Shelter has identified another opportunity, working with community to increase our ability to home families in need. The request for funding is to fit out a new building with beds, linen, kitchen appliances, floor and window covering for a new Shelter.	$5,000.00
Calvary Health Care Kogarah	To increase time engaging in therapeutic exercise for clients accessing the palliative care gym at Calvary Health Care Kogarah. Benefits of exercise in palliative care include maintaining function, management of symptoms, and improving psychological health. Unfortunately many of our clients have limited traditional exercise options due to significant impairments. The MotoMed device would enable these clients to use upper limb and lower limb pedals on different settings and increase therapy time.	$16,067.00
CATEGORY 2	**PROJECT**	**AMOUNT**
Arncliffe Scots JRLFC	Provide a safe and functioning environment for players and officials to learn, and participate in the 2026 rugby league season. Funding will be used to upgrade and replace training and game day equipment, purchases including an electronic scoreboard, game day apparel for officials and senior playing groups, medical supplies and strapping and costs of end of season functions and celebrations. We also need to have our shipping container used to store equipment replaced if not at least repaired.	$25,000.00

ClubGRANTS 2026 CONTRIBUTION

Arncliffe Scots Netball Club	The objective of the Scots Netball Club 2026 Project is to strengthen player, coach, umpire, volunteer, and community development through improved training opportunities, community engagement initiatives, education programs, and access to quality facilities and resources. The project aims to create a positive, inclusive, and supportive club environment that enhances participation, skill development, team cohesion, and overall member experience.	$14,050.00
Scots FC Lions	Upgrading field lighting system from HALOGEN to a modern LED solutions system will improve visibility, safety, and playing performance while reducing energy consumption, maintenance costs, glare, and light spill, and enabling the facility to meet current competition and community-use requirements.	$50,000.00
Arncliffe Scots Baseball Club	Field Maintenance, machine maintenance lease payments and other ongoing operational costs.	$50,000.00
